

EyeSpace Banners

Robust, elegant, fabric banners - ideal for display and promotional use. For when quality of presentation is paramount.

The EyeSpace Banners use the same high quality hardware as our Screen product range, and are available with a greater range of sizes, fabrics and fitting options. They can be configured for internal or external use and are ideal for museums, galleries and arts establishments where the quality of presentation is paramount. We will print to the artwork that you supply. Alternatively we will research, design and produce artwork to meet your exact requirements.

These are bespoke products so please contact us for a quotation, or for further information.
