

Colourful, exciting artwork to transform office environments

EyeSpace

Product information

EyeSpace Canvas

Specification valid from 19th July 2010
until further notice.

Brighten up your workspaces, meeting rooms and breakout spaces with high quality artwork printed onto canvas.

EyeSpace Canvas allows artwork to be printed onto canvas and mounted on artists' stretchers in a wide variety of shapes and sizes, whether as individual pictures or as sets.

Images may be selected from the EyeSpace online galleries. Alternatively we will research and produce images to meet your exact requirements, or we can use artwork that you supply yourself.

These are bespoke products so please contact us for a quotation, or for further information.
